

## Family fleet

### *Family-Marque*

**Chaucer Family-Marque enables you to maximise business with clients requiring multiple vehicle cover in a single policy.**

It provides a one stop shop motor insurance solution for medium to high net worth households with vehicles valued up to £125,000 each and also offers a Platinum cover upgrade for those with extra requirements.

We understand that not everyone's insurance expires at the same time, which is why we allow individual vehicles to be added to the Family-Marque policy as they come up for renewal. All you have to do is collect the policy information at the time of inception and the vehicles will be added incrementally. In this way your clients ultimately benefit from having one renewal date and far less paperwork.

Family-Marque is applicable for:

- Private cars
- Motorcycles
- Commercial vehicles up to 3.5t GVW
- Classic cars, kit cars, American cars and modified cars
- Motorhomes and horseboxes

Platinum Cover is available on Family-Marque to provide additional benefits for those who demand more.

Upgrading to Platinum Cover entitles your clients to all the features and benefits of the standard policy plus many attractive extras.
