

# Private Car

## *Auto Marque*

**With its very wide range of acceptance criteria, Auto-Marque gives you maximum flexibility to build your private car business.**

No matter what the combination or diversity of risk is, Auto-Marque can be relied on for secure and highly competitive quotations to satisfy your clients.

Auto-Marque is the Chaucer flagship private car product. We created it with an extensive rating factor list to enable you to offer quotations across the widest spectrum of the market-place.

Such is the diversity of Auto-Marque's scope that it recognises 60 different vehicle groupings, 50 area ratings and is applicable for drivers aged from 23 to 80. Similarly, it can provide comprehensive cover for vehicles valued up to £60,000 and non comprehensive cover for vehicles valued up to £5,000.

There are also many added benefits for you to enhance the sales appeal. These include the offer of a courtesy car if the vehicle is repaired using our approved repairer network, new car replacement for cars less than one year old, stolen key cover and up to 90 days European cover.

Auto-Marque operates on all the major software platforms and enables full cycle EDI.
